

BANDJES BEHOOREND BIJ GEINTEGREERDE STOEL
geschikt voor 3 punts modellen

MOUNTINGSTRAPS FOR INTEGRATED SEATS
combined with 3-point models

Do you own a cargobike with two bolts for your safetybelt at the back or on top of your cargobike?

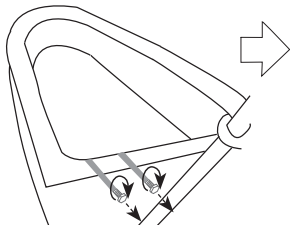

Do you own or have you selected a MELIA 3 point seat with mountingset already on the MELIA seat? (integrated model)

melia.nl

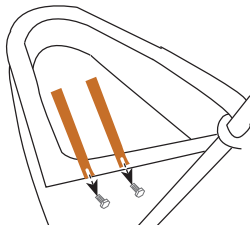

melia.nl

unscrew

Unscrew the bolts of your cargobike belt. Use a tool

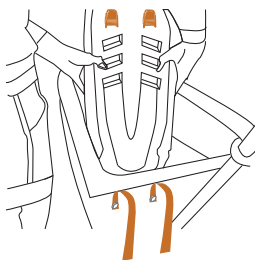

Draai de bouten los.
Gebruik gereedschap.

place the strap

Place the enclosed strap with the hole. You may leave your cargobike safety belt in place.

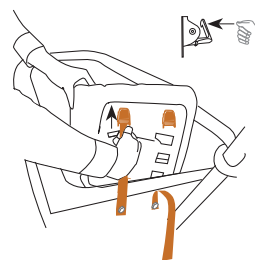

Plaats het bandje met gat. U kunt de bakfiets-gordels ook weer mee vastschroeven.

place the seat

Place your MELIA integrated seat on the cargobike bench.

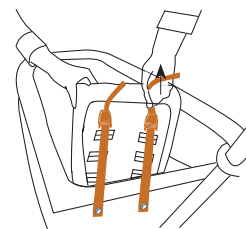

Plaats uw MELIA stoel met geïntegreerde metalen gespen op het bankje.

fix the strap

Push the strap through the metal buckles of your seat.

Duw de bandjes door de metalen gespen die vastzitten aan uw stoel.

pull the strap

Pull firmly. The seat will now move backwards. To release use both hands.

Trek het bandje goed aan! Uw stoel schuift nu naar de achterkant. Om het bandje los te maken gebruikt u beide handen.
