geschikt voor 3 punts modellen

MOUNTINGSTRAPS FOR INTEGRATED SEATS
combined with 3-point models

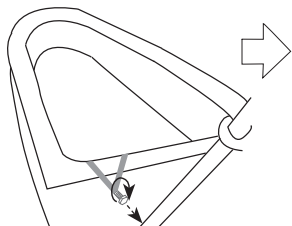

Do you own a cargobike with a one bolt at the back for your safetybelt?

Do you own or have you selected a MELIA 3 point seat with mountingset already on the MELIA seat? (integrated model)

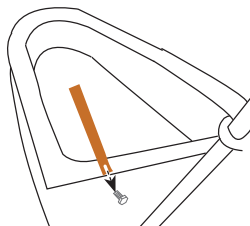

unscrew the bolt

Unscrew the bolt of your cargobike belt using a tool

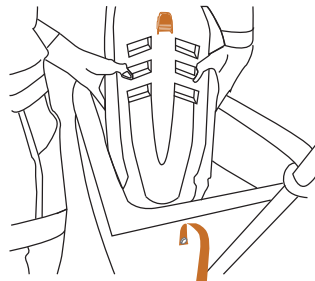

Draai de bout los met gereedschap.

place the strap

Place the enclosed strap with the hole onto the bolt. You may leave your cargobike safetybelt in place.

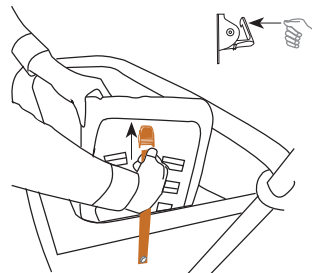

Plaats het bandje met gat op de bout. U kunt de bakfietsgordels ook mee vastschroeven.

place the seat

Place your MELIA integrated seat onto the cargo bike bench.

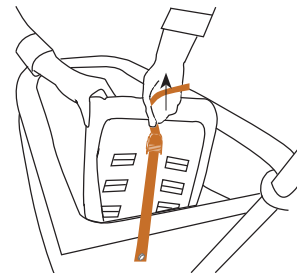

Plaats uw MELIA stoel met geïntegreerde metalen gesp op het bankje.

secure the strap

Push the strap through the metal buckle of your seat.

Duw het bandje door de metalen gesp die vastzit aan uw stoel.

pull the strap

Pull firmly. The seat will now move backwards. To release the strap use both hands.

Trek het bandje goed aan! Uw stoel schuift nu naar achteren.

Om het bandje los te maken gebruikt u beide handen.
