

BANDJES BEHOOREND BIJ GEINTEGREERDE STOEL
geschikt voor 3 punts modellen

MOUNTINGSTRAPS FOR INTEGRATED SEATS
combined with 3-point models

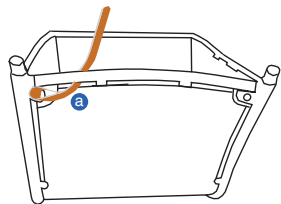

Do you own a cargobike with a metal bar at the outside and the possibility to get a strap around it?

Do you own or have you selected a MELIA 3 point seat with mountingset already on the MELIA seat? (integrated model)

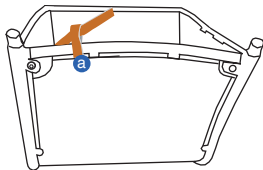

slide strap under

Get the included strap with the loop under the metal bar.

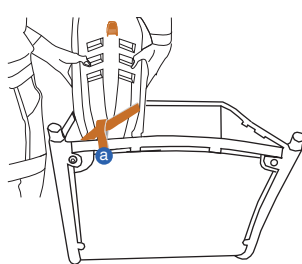

Duw het meegeleverde bandje met lus om de metalenstang.

make a knot

Push the end of the strap through the loop and pull.

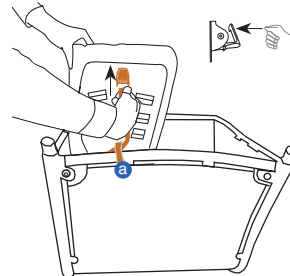

Trek het uiteinde van het bandje door de lus en trek het goed aan.

place the seat

Place your MELIA seat with integrated metal buckle on the cargobike bench.

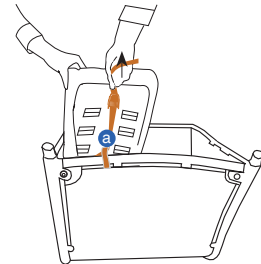

Plaats uw MELIA stoel met geïntegreerde metalen gesp op het bankje.

fix the strap

Push the strap through the metal buckle of your seat.

Duw het bandje door de metalen gesp die vastzit aan uw stoel.

pull the strap

Pull firmly. The seat will now move backwards. To release use both hands.

Trek het bandje goed aan! Uw stoel schuift nu naar achteren. . Om het bandje los te maken gebruikt u beide handen.
