

BANDJES BEHOOREND BIJ GEINTEGREERDE STOEL
geschikt voor 5 punts modellen

MOUNTINGSTRAPS FOR INTEGRATED SEATS
combined with 5-point models

Do you own a cargobike with two bolts for your safetybelt at the back or on top of your cargobike?

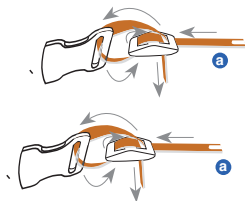

Do you own or have you selected a MELIA 5 point seat with mountingset already on the MELIA seat? (integrated model)

melia.nl

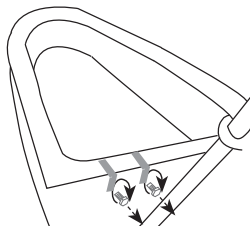

melia.nl

prepare the straps

Included are two straps of 60 cm with a hole. These straps are used as the side straps for your 5-point MELIA seat.

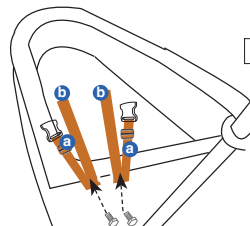

Meegeleverd twee bandjes met een gat. Deze twee bandjes gebruikt u als zijbandjes voor uw 5 punts MELIA stoel.

unscrew the bolt

Unscrew the bolt of your cargo bike safety belt. Use a tool

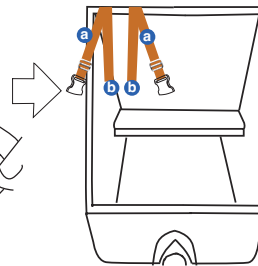

Draai de bout los. Gebruik gereedschap.

place the straps

Place all the enclosed straps with the holes. You may leave your cargo bike safety belt in place.

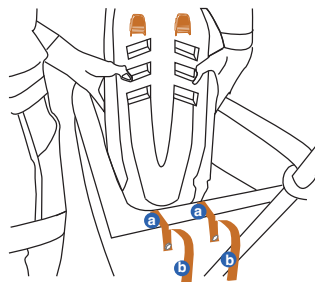

Plaats alle bandjes met gat. U kunt de bakfietsgordels ook weer mee vastschroeven.

did you do it as shown?

You should now see one strap to fasten the seat at the back and two straps for the sides of the seat.

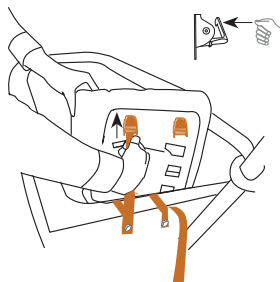

Als dit correct is uitgevoerd heeft u nu drie bandjes. Eén om uw MELIA stoel vast te maken aan de achterkant en twee om de stoel aan de zijkant te bevestigen.

place the seat

Place your MELIA integrated seat on the cargo bike bench.

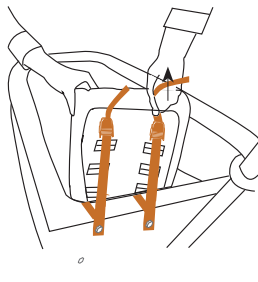

Plaats uw MELIA stoel met geïntegreerde metalen gesp op het bankje.

fix the strap

Push the straps through the metal buckles of your seat.

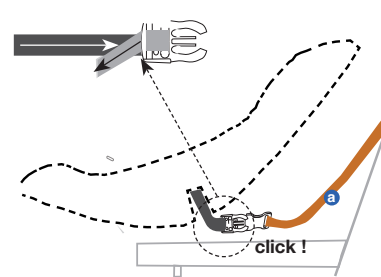

Duw het bandje door de metalen gesp die vastzit aan uw stoel.

pull the strap

Pull firmly. The seat will now move towards the back. To release use both hands.

Trek het bandje goed aan! Uw stoel schuift nu naar de achterkant aan.

attach side 5 point buckle

On the side of your 5 point model you'll find a strap of 40mm coming out. Use the buckle as shown and place it on the strap. Fasten it to the prepared side straps.

Aan de zijkant van uw MELIA stoel komt een bandje van 40 mm uit. Maak de "vork" gesp eraan vast en bevestig deze aan de zijbandjes.
