

BANDJES BEHOOREND BIJ GEINTEGREERDE STOEL
geschikt voor 3 punts modellen

MOUNTINGSTRAPS FOR INTEGRATED SEATS
combined with 3-point models

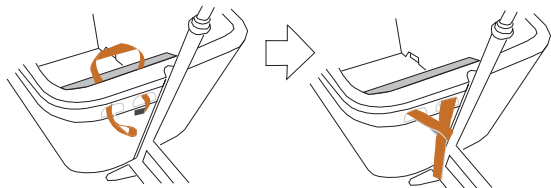

Do you own a cargobike with a two horizontal openings at the back for your safetybelt?

Do you own or have you selected a MELIA 3 point seat with mountingset already on the MELIA seat? (integrated model)

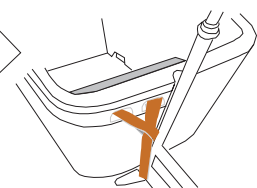

guide the strap

Remove your cargo bike belts if there's not enough space for the strap. Push the strap with loop from the inside to the outside.

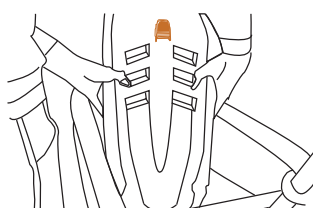

Verwijder uw bakfiets gordels als er niet genoeg ruimte is voor het meegeleverde bandje.

make a knot

Push the end of the strap through the loop en pull.

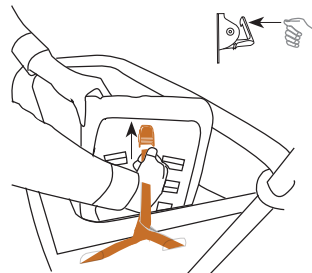

Trek de uiteinde van het bandje door de lus en trek het goed aan.

place the seat

Place your MELIA seat with an integrated buckle on the cargo bike bench.

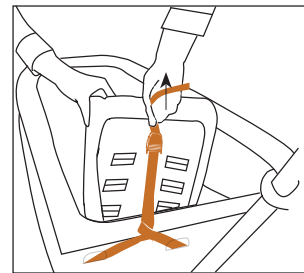

Plaats uw MELIA stoel met geïntegreerde metalen gesp op het bankje.

fix the strap

Push the strap through the metal buckle of your seat.

Duw het bandje door de metalen gesp die vastzit aan uw stoel.

pull the strap

Pull firm! The seat will now move backwards. To release use both hands.

Trek het bandje goed aan! Uw stoel schuift naar achter.

Om het bandje los te maken gebruikt u beide handen.
